# Living and working in Antarctica

[classroomantarctica.gov.au](http://classroomantarctica.gov.au)

Imagine years from now you get to work in Antarctica. Select a type of job.

Compare what life would be like doing that job living **where you are now** compared with **living in Antarctica**.

What would be similar what would be different?

Name:

How would your lifestyle be influenced by the Antarctic environment?

Could you see yourself working in Antarctica one day? Why or why not?
